Hi Bridget.

We're in need of some help here at Hollenbeck and thought you might be able to help us.

We recently came across a homeless family who is currently living in a parked car. A single mother, a 12 year old daughter and a 17 year old son. They have ran out of options and have no where else to go. The young man is willing to separate from the family and go to some type of group home if one is available.

Don you think there is anything you can help us with. They have been placed at several shelters in the past but for some reason they don't stay long. This is the only information I have for the family. The cell phone is currently disconnected but the son monitors his email fraudulently.
